Spam Beamer

boring slides about spam

Kolb, Yiftach

August 10, 2022

Spam

Spam[1] is good.

---

[1]Nikolai Russkikh et al. "Style transfer with variational autoencoders is a promising approach to RNA-Seq data harmonization and analysis". In: *Bioinformatics* 36.20 (2020), pp. 5076–5085.

And now to something completely different . . .
